T.R. Reid is the author of "The Healing of America," the New York Times bestseller. PBS Frontline made two documentaries, "Sick Around the World" and "India—A Second Opinion," following Reid as he did the reporting for that book. His latest PBS film was "U.S. Health Care: The Good News," which is being broadcast by PBS affiliates around the country. He is Chairman of the Colorado Foundation for Universal Health Care, the state-wide citizens' campaign working for universal health care coverage.
