C [F C] [Dm G] C
Door by door, town by town. Gotta act before we drown.
[Dm G] [C Am] [D G] [C F] /
Don't let them bring this country down, so stand up and raise your voice.

C [F C] [Dm G] C
All together we can't fail; democracy is not for sale.
[Dm G] [C Am] D G
No time left for us to wail, time for solidarity.
C [F C] [Dm G] C
We can't wait and close our eyes, while our constitution dies.
[Dm G] [C Am] D G
Stop believing all the lies, we must end the tyranny.

Repeat Chorus

Verse 2

C [F C] [Dm G] C
Shine a light and make it bright; we'll resist with all our might.
[Dm G] [C Am] D G
We cannot give up the fight, not until our work is done.

So plant your feet, make a stand, send a message through the land.
[Dm G] [C Am] D G
We all need a helping hand, we won't stop until we've won.

Repeat Chorus (but end on a G, not a C)
