

Health Care for All Illinois

invites you to join us

Summer Social
Bucktown
Sunday, July 31, 2011
4 - 7 p.m.

Meet the outgoing and incoming presidents, fellow activists, national leaders, and new members. This is an excellent opportunity to meet with like-minded physicians and receive an update on developments in the Illinois and national single-payer movement, and become more involved in advocating for single-payer health care. Refreshments and snacks will be served.

Everyone invited!

For directions and to RSVP, please write Anne Scheetz, M.D.

Donations to support our work are welcome, but not required.
